BSc (Hons) in Applied Accounting - Oxford Brookes University

Students studying for their ACCA professional qualification have the opportunity to obtain a degree from Oxford Brookes University, one of the UK's leading modern universities with an international reputation for teaching excellence and innovation as well as strong links with business and industry.

The degree can be obtained during or after studying towards the ACCA qualification. By gaining the BSc (Hons) in Applied Accounting, students will demonstrate that they possess not only the professional skills gained through the successful completion of the ACCA exams but also the graduate skills which are increasingly sought in an ever more competitive employment market. “VM” Virtual Mentoring offers online mentoring services which provide ACCA students with the necessary support to obtain the BSc (Hons) degree in Applied Accounting.

Why should you choose the OBU degree?

The OBU degree holders will demonstrate to employers that they possess the relevant graduate skills that are required for a bright career in accounting and finance provided by a university that has a reputation for international excellence.

Oxford Brookes University has been voted the best modern university by the “Sunday Times”. The Business School is one of the leading schools in the UK.

What we offer?

The Research and Analysis Project (RAP) preparation process essentially requires an OBU Registered Mentor. The mentoring services of “VM” provide students with necessary support and guidance required for the submission of a successful RAP. Our services include:

- ❖ Mentoring services under highly qualified registered mentors of OBU;
- ❖ Availability of relevant study material;
- ❖ 4 - 5 online mentoring sessions with students;
- ❖ 24/7 availability for timely resolution of student queries; and
- ❖ Certify to OBU (in a capacity of OBU registered Mentor) that the RAP is the student's original work.

Research and Analysis Project (RAP)

The Research and Analysis Project (RAP) is the final component of the BSc degree that the student prepares under the guidance of an OBU Registered Mentor. It consists of two separate documents:

- ❖ 7,500-word Research Report (RR), and
- ❖ 2,000-word Skills and Learning Statement (SLS).

The student is also required to give a presentation of the project to his/her project mentor.

Key Features of the “VM” Mentoring Program

There are numerous benefits that students gain during the mentoring under our highly qualified OBU registered mentors. Some unique features of our program are the following:

- ❖ Highly qualified **team of professionals** that have vast experience in teaching and mentoring of ACCA students for more than **9 years**;
- ❖ Mentoring through “**Registered Mentors**” of OBU to meet the necessary expectations of students.
- ❖ Mentoring on all 20 offered topics of OBU (extensive experience in mentoring on **Topic number 8**);
- ❖ **4-5 online mentoring sessions** with the student (one session before registration of student where our team helps the student in resolving their queries and brief introduction to the overall mentoring approach);
- ❖ Flexible payment and fee options (**payment in advance is not necessary** as students can pay in installments according to progress with their RAP);
- ❖ Availability of **study material** to students during preparation of RAP;
- ❖ **Allocation of “Project Mentor”** according to the **requirements of each topic** (each mentor has relevant experience specific to requirements of the topic).
- ❖ Online/virtual **mentoring program across the globe** that overcomes geographical boundaries;
- ❖ Assist students in **analyzing plagiarism aspects** in RAP;
- ❖ Effective **resolution of various queries**/confusions of students on time through 24/7 online and email support); and
- ❖ **Representatives**/previous students all over the globe.

“VM” Online Mentors Team

“VM” is a team of professionals who have extensive teaching and mentoring experience to ACCA students. Our mentors are qualified accountants with extensive practical knowledge.

“VM” mentors are registered mentors of OBU and equipped with all necessary information that enables us to effectively guide students during their RAP preparation.

The designated mentor guides the student by asking the right questions, steering them to think systematically, to learn to apply appropriate evaluative techniques and to analyze and interpret the results. Based on proper guidance on each required aspect of RAP, our students are able to get good grades on their RAP.

Our Services

Our services are completely aligned with the prescribed guidelines of OBU. We are offering the following services to ACCA students with respect to RAP:

- ❖ **Complete mentoring** as per OBU guidelines;
- ❖ **Mentoring in Resubmission** of RAP; and
- ❖ **Broader level guidance** services for RAP (free of cost).

Our website is developed in such manner that it guides students through the different aspects of RAP. We regularly update our website based on recent developments to be able to help all students objectively.

Students should carefully consult our website for getting quality information and all recent updates.

Mentoring Fee

We offer flexible fee structure to students as we understand that all students don't have same financial position. We offer flexible payment options to all our students as they can pay in installments according to overall progress towards RAP.

Please consult our website for detailed information on the fee structure.

1. Introductory Session

At the beginning, the student needs to register with us and then designated Project Mentor (as per the selected topic of the student) will be allocated. The mentor will interact with the student and guide about the overall mentoring structure and give a complete overview of tentative approach in the preparation of the RAP.

2. Formal Mandatory Meetings

The designated Project Mentor will interact with the student at different stages of preparation of RAP as required by OBU. These meetings help students to prepare RAP as per prescribed standards of OBU. The meetings also provide students with the opportunity to develop their personal skills including questioning, listening and giving a presentation.

3. Online Presentation

The student will be given an opportunity to deliver a presentation on the project to Project Mentor in accordance with OBU requirements. This will be conducted entirely online.

4. Online Learning Environment

Students can access learning materials online through our virtual learning environment. This includes access to a library with a range of materials that aid in their research.
